

# Summary Ontario QSO Party 2016

## Ontario

Once again this year, we were faced with a declining sunspot cycle and less than stellar conditions. Congratulations go to the hard-working crew at VE3MIS for their first place score this year. Top Phone op this year was VE3ZF, followed by VE3XB on CW. Top Mixed score goes to VE3CX, with VE3DQN coming in first with QRP.

## Contest Conditions

We are happy to report that we received 104 logs this year, up slightly from last year. Having several contests always helps with extra QSO's, and we appreciate everyone who took time to make some QSO's this year

## Contest Records

VE3ZF continues to add to his impressive collection of OQP records, this year adding the SO LP Phone to the list. Well done Igor! VA3DF and VE3RCB set new county records. Six new state records were also set this year – K1AUS in Montana, W1AJT in North Carolina, WB0IWG in North Dakota, NM5WB in New Mexico, K9GDF in Wisconsin, and KF7Z in Wyoming. Well done!

## THANKS FOR YOUR CONTRIBUTION

Contest Club Ontario thanks those within and outside Ontario for their participation. We hope to see you all once again in 2017!
